Dear Mr. Battaglia:

As Ms. Gillett indicated in her letter of January 24, 2006, I have reviewed the above referenced file.

The file consists exclusively of your correspondence with Church and civil officials; there is no testimony by Ms. Ward concerning your child or the submission of documents, false or otherwise.

If I can be of further service in this matter, please let me know.

Sincerely,

Deacon Don Forbrich

- Deacon you are missing the point of my 2 plus year quest.
- 1.) Does my correspondence reference an attached or enclosed "CERTIFIED COURT REPORTER TRANSCRIPT" which contains Ms. Ward's sworn testimony to her "Adultery & perjury" in front of Judge Carolyn Wright.
 - 2.) Where is the TRANSCRIPT I submitted with the original forms?

Please return to me when finished. Thanks

*That is
ALL I
HAVE ASKED.
